

PHILIPPINE BOARD OF RADIOLOGY
Certifying Board of the Philippine College of Radiology

ANNOUNCEMENT FOR THE PBR 1 REGISTRATION, EXAMINEE WALKTHROUGH AND MOCK EXAM

1. Prior to the mock exam, **register** at www.wyith.edu with your email address. You will then be given your candidate number and passcode to the exam via your email. **Registration** will be on **June 5, 2022**. Please inform the PCR secretariat for any corrections.
2. There will be an **examinee walkthrough on June 5, 2022 at 8:00 am** via Zoom with Wyith, the third party online proctoring service provider. You may ask questions regarding the registration process and examination log-in during this session.

**Zoom link will be posted in the coming days.*

3. **Mock exam for PBR 1 is scheduled on June 12-13, 2022.** The website will be open for 24 hours from June 12 at 12 noon, to June 13, 2022 until 12 noon. You can try the online exam any time within the allotted time. Use the same laptop that you will use on the actual exam.
4. You must have good and reliable internet connection, at least 10mbps. It is highly encouraged to take the mock exam in the same location where you will take the PBR 1 exam. Public places are discouraged.
5. If you are using your cellphone's data connection for the exam, be sure to check if your SIM card is still a 3G SIM card or if it has already been upgraded to 4G LTE. If you do not wish to upgrade your SIM card for whatever reasons, we suggest that you buy a 4G LTE SIM card for this.
6. You must have your own reliable laptop with working power source (full battery and preferably with power cable), working camera, microphone, built-in speaker and a working mouse. It can be Windows-based, IOS Mac or Linux. Desktop personal computers and tablets are not allowed. Web browser should preferably be Google Chrome, but Firefox, Safari and MS Internet Explorer will also do.
